Limited Edition Collectible Hardcover - \$99.95
ISBN 978-1-9336-0004-8

"The newest addition to the 'Lionel Postwar Encyclopedia' series, this substantial, single-volume reference—the subject's only definitive guide—details more than 700 1960s-era promotional model sets.

Author Schmid's 680-page 'Outfit' segment, organized by series number, is replete with color photographs of original packaging, advertisements, and factory orders; his 71-page 'Reference' segment discusses, among other concerns, outfit pricing, rarity, and condition. Editor Carp's meticulous historical account is both highly informative and engaging. Although geared toward the die-hard Lionel enthusiast, this will prove a **valuable addition to Americana, vintage toy, and public access library collections.**"—*Library Journal*, Oct. 2007
